Gentlemen:

Re: Disposal of Paint Sludges from
American Chemical Service in
Griffith, Lake County

You are hereby granted approval to dispose of the above referenced material at the Gary Land Development Landfill at Cline Avenue and Gary Avenue in Gary, Indiana. This approval is for 25yd³/day of thick paint sludge only. This material has been shown to be relatively free of solvents and therefore is suitable for disposal with general refuse.

This approval is conditional upon obtaining all necessary local approvals including approval of the Lake County Health Department.

If you have any questions please feel free to contact the Solid Waste Management Section, Indiana State Board of Health at 317/633-6400.

Very truly yours,

Roland P. Dave, Director
Division of Sanitary Engineering
